

West Virginia Christian Youth Camp is a non-profit organization dedicated to providing young people with a wholesome program of Bible study, spiritual growth, and personal enrichment in a Christian environment.

Each day is filled with Bible classes, worship hours, devotionals, and Bible Bowl competitions. Recreation time is carefully structured to ensure the best use of time for fun and fellowship. Selfless volunteers comprise the staff during the five weeks of camp.

## Payment Information

**The camp fee is \$175 per week.**

*A financial note: Camper registration fees (tuition) covered approximately 20% of the cost of running camp in 2023. The board always regrets raising rates, but it has become unavoidably necessary. Even at this raised rate, the projected coverage of camp cost will still be only about 27%. The rest must come through fundraisers and donations.*

*While this may be a regrettable hardship for some, there may be some who are able and willing to give a little bit more. In any case, thank you for your understanding. You will be presented with an option to donate an additional \$25 dollars at checkout.*

**If you complete a paper copy of the form and need to pay by cash or check (made payable to West Virginia Christian Youth Camp), please bring your payment with you to your first day of camp.**

**Please mail your completed paper registration form to:**
